| TOTAL PRODUCTION TURNKEY INVESTMENT |                                                                                                                                                                                                                                                                                    | 80 hrs         | \$37.50 | \$3,000.00    |

| FIXED-PRICE MILESTONE SCHEDULE (\$3,000 TOTAL)           |          |
|----------------------------------------------------------|----------|
| Milestone 1 (Days 1–3): API Vault & Discovery (26 hrs)   | \$975.00 |
| Milestone 2 (Days 4–5): Grounded AI Outreach (22 hrs)    | \$825.00 |
| Milestone 3 (Days 6–8): Human Gate & SLA Engine (14 hrs) | \$525.00 |
| Milestone 4 (Days 9–10): CRM Pipeline & Launch (18 hrs)  | \$675.00 |

| ACCOUNT SAFETY & ANTI-BAN ARCHITECTURE                                                                                                                  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| ✓ <b>Zero Headless Scrapers:</b> Never uses Puppeteer or cookie hijacking. Connects 100% via official Meta Graph API v20.0 & TikTok Business endpoints. |
| ✓ <b>Mandatory Human Gate:</b> AI drafts high-converting icebreakers, but zero automated DMs can be dispatched without explicit human review.           |
| ✓ <b>Multi-Brand Isolation:</b> Bearvana and other portfolio brands maintain fully isolated encrypted OAuth vaults and rate limit quotas.               |
